

CountryWatch Online Database for

Country Intelligence

...Your eyes to the world of information

CountryWatch Premium provides the most cost-effective, current and comprehensive source of socio-demographic, cultural, historical, economic, political, environmental and investment information, along with news, analysis, maps, data and statistics on all of the world's 192 countries and many non-sovereign nations.

CountryWatch Premium is made up of four distinct features, the Country Reviews, Country Wire, CountryWatch Data, and Map Gallery, each complementing the other to provide maximum depth and coverage.

Country Reviews

A comprehensive online report for each country dynamically updated as major events occur

- Access over 100 pages of detailed profiling of each country's historical, political, economic, social, demographic, business and environmental issues
- Features sections on foreign relations, political climate, economic conditions and cultural etiquette
- Updated annually or as major events occur
- Each country report is downloadable into Adobe PDF format

Country Wire

A robust country-specific, real-time news feed to keep current with breaking news in each country

- Access real-time, full-text news articles for each country
- Real-time news from internationally recognized news services, including Xinhua, UPI, Interfax and EFE
- Search through the vast, online, historical archive of over 180,000 news articles to find specific topics

CountryWatch Data

A storehouse of ten years of raw data for over 250 different variables for all 192 countries

- Access over 400,000 data points categorized into 5 primary categories and 24 subcategories.
- Contains macroeconomic, economic, health, demographic, cultural, sociological and environmental statistics
- Allows the user to select multiple countries, regions and variables for cross comparison
- Features functions for easy download into CSV format and GIS software to create charts and diagrams

Map Gallery

An online gallery of maps, integrating CountryWatch Data to provide an illustration of global trends

- Contains over 170 thematic maps covering cultural, economic, macroeconomic, environment and indicators
- Wide coverage includes standard of living, education, energy sector, manufacturing, crops, sector employment, inflation, trade balance, debt, greenhouse gas maps
- Provides 13 graph programs created in MS Excel that forecast trends for topics such as population growth and macroeconomic activity per region
